

Chapter 1

1. Sold her to Thakur's

Author's POV :

Priya, an innocent seventeen-year-old girl, was still in school, but her world was being torn apart.

Her father, a desperate man weighed down by debt, stood trembling before Viraj Thakur, begging for mercy.

"Thakur saheb, I will clear the debt next month. Please, spare me," he pleaded, his voice cracking with desperation.

Viraj sat on the chair, his eyes cold and expressionless. As the eldest son of the Thakur family, his word was law in the village.

"Spare you? No way. What did you say? You'll return the money next month? How? You have nothing left. Your land, your house—everything is in our hands. Beat him," Viraj ordered his men. They immediately began beating the man, bruising his already frail body.

Though it was the year 1980, the Thakur family still ruled the village as if time hadn't moved forward. Their wealth and power dictated the lives of everyone around.

"Thakur saheb, I have something valuable to offer. See it, and decide whether to kill me or not," Priya's father pleaded, his voice trembling with fear.

"What could you possibly offer?" Viraj said, gesturing for his men to stop. "Let

him go. I want to see what this 'precious' thing is that he's talking about.

The man got up from the ground, whimpering in pain, and stumbled back to his home. He returned moments later, dragging a young girl by the arm and throwing her at Viraj's feet.

"Thakur saheb, this is my daughter. Take her in exchange for clearing my debt. She can cook, clean... she'll do any work. If you want, she can even be your whore. Do whatever you wish—just spare me," he said, his voice desperate as he pleaded for his life.

"Papa! What are you saying?" Priya sobbed. "I'm your daughter! How can you sell me like this? Please, Papa, I don't want to go. Please!" Her face was flushed red from crying, her tears streaming uncontrollably.

Viraj lifted her chin, mesmerized by her beauty despite the hurt and fear in her eyes. When she pushed his hand away, a dark smile crept onto his face—he liked her defiance. Her fragile body stirred something in him, filling him with a twisted sense of desire.

His intense gaze burned through her clothes, making her feel vulnerable despite being fully covered. Without saying a word, Viraj stood up from his chair, grabbed her, and threw her over his shoulder, heading toward his car.

Viraj threatened, his voice cold. Priya covered her mouth with her hands, stifling her sobs.

He threw her into the car and slammed the door shut. Then, turning to her father, he said, " Your debt is cleared."

Her father, overjoyed, smiled and asked, "So, it's settled then?"

Viraj nodded, signaling his men. As Viraj drove away, his men carried out his final command—killing her father on the spot.

Chapter 2

2 . Her innocence is gone

Priya pov :

" Who is she? " His brother asked him .

" Her father didn't pay the debt . So I took her instead of money " he said . He dragged and threw me on the floor .

" Mera naam Aryan aur naam ayaan "

They both introduced themselves. I nodded without saying anything. They are huge , tall and their thighs are tightly pressed against mine. They are talking with each other through their eyes .

" Take this water " I looked at the person who is none other than Thakur saheb. (Veeransh)

I drank half of it .

" My brother never brought a girl to this house . It's the first time a girl entered this house . " I nodded .

" What work should I do ? " I asked him .

" No need to do any work now . Go and take a rest " He said smiling at me . I felt relieved and thanked God . Among all the brothers I think he is the good one .

Veeransh Thakur showed me the way to my room.

They are looking like giant men , I am looking at them like a lost puppy . They showed me the room .

" Your bedside room is ours . If you want anything , come to us " Aryan said.

" You are all staying in one room " I asked them, shocked .

"We share the same womb, we can share the same room," Ayaan laughs.

"Oh?" I blink at them. It surprises me.

"Hey. We share a room, not a bed," Aryan adds.

"Well, unless we have a good reason to," Ayaan says and they both laugh out loud.

"I don't understand," I say .

Veeransh bends his head close to my ear.
"Sometimes, we share everything, Priya," he says with a low growl that turns my insides to jelly.

I opened my mouth. They laughed and left the room . I slept on the bed thinking about what will happen in the future .

They all had dinner and left for their room .

He groped them, making her shiver. He sensually massaged her tits with his two hands .

" Just like that baby ... Your moans already made our cock iron rods . "

Ayaan traced her clit, rubbing it hard. The stain of her wet arousal is visible on the panty she wore , as the room fills with the wet sound of him pumping his fingers on her dripping pussy.

Both brothers take her to the land of heaven .

Aryan shifted her place . Now , ayaan is sucking her boobs .

Aryan winks at aayan , he makes her sit in between his thighs. Her back is touching his chest . She holds his forearm.

Aryan removed her panty stretched her on the bed . Her thighs are bent and touching the bed in 90's degrees .

Her young , untouched , virgin pussy is shining with her wetness . Her liquid is dripping from her chest .

He licked his lips with the thought he was going to lick her .

" Bhai , Finally I am going to taste her ...I wanted her from the moment my eyes laid on her "

" Then why are you stopping, Aryan? Taste her " With his Aryan kissed her thighs.

Aayan widely stretched her pussy lips with his fingers.

" Priya , you are soaking wet. You really liked iron fingers , " She didn't say anything. Aayan takes her lips in his liplock kiss. They both share an erotic kiss. His lips are fighting to enter into her mouth. Sucking her lips casually biting her lips , this erotic kiss makes more hot

Her thighs are violently throbbed with our sexual pressure. Ayaan's hand is on her neck for access .

Aryan entered another inside her bra . One boob is for his twin, another one is Aryan's.

Her eyes turned into lust . He increased his sucking and pressing her clit . Her chubby thighs become jelly in his arms .

Soon , she coated his tongue with her juices . Ayaan can't swallow her screams . She looked at me with lust filling eyes .

Priya is going to ask them what that means before that ayaan removed her bra and Aryan removed her panty , throw it on the floor. She is fully naked between them .

Ayaan hands slide over her breasts, down over her stomach and between her thighs as he rubs her clit with the fingers of one hand, while he pushes one of my thighs flat to the bed with the other.

Aryan leans over her and kisses her in the opposite direction, working his way up until he reaches her boobs and he sucks one of her nipples into his hot mouth while he pinches the other one between his finger and thumb.

They teased her with a winked smile. She is looking at them helplessly.

Aryaan pushed his two thick fingers inside her, giving her another intense, earth shaking orgasam.

" I think she is ready , ayaan" Aryan said to ayaan .

Now , Priya is lying against the Aryan body . She is laying flat on him as he is in bed . Aryaan spread her legs flatly on the bed with these legs .

Ayaan is stroking his hard , huge cock looking at the scene in front of him .

" What the hell is going on here " Viraj roared at them .

Aryan and ayaan gulped their saliva fearing their brother. They didn't think about this outcome.

Priya got up as she was lying between the thighs of Aryan . She looked confused and embarrassed of herself.

" Veer , Take her to another room . I need to talk to them "

Veer lifted her , he completely covered her in the black blanket. She didn't say anything. Priya pressed her head more on his chest . Veer tightly hugged her .

He placed her softly on the bed .

" What do you think you are doing, Priya?
" Veer asked her .

" I don't know .. you said I belong to you . You can do whatever you want. I will be obedient. " She said tears formed in her eyes .

" Do you like what they do " He asked her

" Haa " She said timidly and embarrassed.

" That's it "

Veer took her in a sinful kiss . Her lips are sucked by the most handsome man in the village. His dick is going to burst out of the zipper in any second as he saw her naked body

" Fuck ! he cursed .

He saw her fragile and little body . His cock stood straight . Without wasting any time he removed his shirt and pants .

He dropped his hand on her delicate hard nipple , he pressed it harshly .

" Ahh veer " she moaned .

He slides his penis in her inch by inch .

" It's painful, veer " she said .

" Of course it will be painful as it is your first time. But bear for a few minutes, baby . " He is not like his brothers , he loves to be dominant. He is submissive but better than Viraj .

" Do you feel me inside you? You fit me baby . You are born to take our cocks , you are our pleasure giving girl"

His hard length slides into her blood flows from her pussy making him growl.

Her virgin hole is stretched by him . Her hymen teared with his force .

He lost control of his animal and hardly thrust in her in one go .

" Ahmmmmn " Priya screamed. She scratched his biceps and back with her nails in pain .

He cupped her mouth from screaming.

" Don't scream ! My brother is punishing Aryan and ayyan for making you naked. If he got to know that I am fucking you on his bed . I don't know what he will do "

" Then stop it naa , it's paining veer "

" If I can control my animal then I definitely do that , baby . But I can't , I want to be inside you forever. But bear this pain for me , next time I take you so gently. "

He fucks for hardly pumping in and out . Her nails stretched his bare back , his back started to flow with blood.

He took out his lund from her pussy , he rammed inside in one go .

"You feel so fucking good, priya. I'm going to fuck you all night long, because this pussy is so damn sweet."

The tears roll down her cheeks as he slides himself into her over and over again, pushing against the spot deep inside me that makes her insides melt like warm butter.

" Ahhh" her silent cries muffle with pleasure full moans .

He seals his mouth over her as he fucks her to a long, intense orgasm that almost makes her pass out.

" Thrust

" How happy I feel at this moment I can't explain it to you , , bacha " He is near her release.

" Ahhhh "

As She releases a torrent of wet heat, he sinks his teeth into her neck and drives into her until he finds his own release.

Priya is still trembling when he rolls onto his back and pulls her into his arms. "I don't think I have ever fucked anyone like that before, priya," he pants.

She already fainted in the fucking session. Veer slid his cock into her again and went into deep slumber.

" Viraj bhaiyya , when will you come back from work " Ayaan asked

" Maybe it will be late tonight, why? " Viraj

" Nothing bhaiya, just normal, " Viraj nodded . But he knows the intention behind this question.

" Ayaan , I am saying one thing to make it clear in your mind . Priya is a little girl . Wo ek masoom bachi hai . She doesn't know all this . I am repeating this " she is a little flower , don't touch her "

" She's already deflowered, bhaiyya, " Aryan thought in his mind .

" Priya , I know you are an innocent girl . You don't know anything about my brother's true self . You don't know what they will do to you , if I didn't come back on time . Just be safe here .I will be back soon " Viraj said to Priya while going.

" Veer , I don't trust their dicks . They are uncontrolled beasts . You stay here , protecting her . Don't let them touch her . Tomorrow, I will arrange a safe place for her " Viraj explained to his not so innocent brother .

" Ahhhhh veer ahhhh please do it slowly"

Veer started fucking her as soon as Viraj left the house . Three of the brothers took her to the bedroom and threw her on the bed .

Without wasting time, Veer started pounding in her . .

" Your pussy is always hot and tight, Priya
" veer groans as he fucks her . Her legs
are raised on his shoulders.

" Ahhhhh ammmm"

" How can you look so good while
moaning... I think my brothers are having
best view of your pussy "

" Yes bhaiyya " Aryan and ayyan nodded .

" Bhaiyya , bring her to the mirror. I want
to see how she feels while fucking "

Veer lifted her while fucking. Her legs
hugged his torso . He carried her to the
mirror .

" Ahhhh veer , what are you doing"

" It's jumping sex , baby "

" Ahhh " He made her jump on his cock ,
touching all the spots which were hidden .

Her boobs are bouncing while jumping.

" Kya boobs hai iska . Mann karta hai kha

" Maaaaaaa ahhhhhh" Veer suddenly placed her on the mirror. Her back is attached to the mirror. He grabbed her thighs tightly , fucked her fastly .

Ayaan fisted her hair and made her stand on the window. Her boobs are hanging out . Priya grabbed the window tightly.

" Veer ahhh , I will fall ...ahhh"

" Ahh never baby , I am here just to bear a little " veer increased his fastness .

" Ahhh ahhh ahh" He groans as he cum inside her .

Priya lost her energy, veer took her whole energy by fucking her .

" It's time for me , baby " Veer pulled out his cock from her chut . Her chut leaking with his cum . As soon Veer pulled , Ayaan pushed it inside her .

Priya's eyes are closed in weakness. Her body is becoming weak because of the unstoppable fucking sessions of thakur brothers .

" Ahhhhh ayaan ahhh"

" This is not my style baby , wait " Ayaan slides his hands on her waist and takes her to the window.

He made her lay on the floor.

" See the outside, world baby "

" Ahhhhhh ayyan , someone will see us "

" So what! They will also think how hamari Priya is amazingly fucked by the thakurs "

Ayaan slowly fucking her in the standing position. His hand started smoothing her back .

He fisted her long hair and pulled it backwards .

Ayaan took her on the sofa . She is on his fours and he is from behind.

" Ahhhhhh Thakur " Priya rushed with an orgasam milking her cock .

" Clenching my cock , baby "

" Ahhhh ahhhh" Ayaan fucked her fastly as he is near .

Priya fainted on the sofa and ayyan continues his ecstasy of fucking.

" Ayyaan , stop now . See she is fainted "

" Bhaiya , I can't . I never want to leave her pussy "

" Ayyan , stop now " Veer said angrily, so that made the ayaan stop pounding.

After two hours :

Aryan bought food for her , while Ayaan cleaned her body .

Priya slowly opened her eyes .

" How are you feeling now? " Veer asked her .

" It's painful in my chut . "

" Sorry baby . We should stop it in the morning itself. Your chut become bruised because of us " Ayyan said he felt guilty for not stopping fucking her .

" It's okay thakur ji , I am alright. I am very hungry, "she said cutely .

Everyone laughed with her cuteness and fed her food .

Evening :

From afternoon to the evening, four of them are enjoying their presence. They are slowly falling in love , innocence and cuteness .

First it's fuck now it's turning into love .

" Our mother died after giving birth to Ayaan and Aryan . " Veer said this , the room became silent.

" Don't worry , Thakur's. Now I am here naa . " Giving a beautiful smile to the lonely birds .

" Priya , you know I have never taken breast milk since my childhood. Only dhabba dhoodh . Can I have it now ? "

" Lekin kaise , ayyan "

" Tomorrow, I will give you medicine for it . Then you will have your milk "

Priya blushed while listening to the breastfeeding word .

" Why are blushing my Rani , we already did lot "

Ayyan and Aryan slide on each of Priya as she is sleeping on Veer . Veer turned her to the front .

Now , Veer is sitting on the bed with Priya on his lap .

Ayyan and Aryan are sucking her boobs .

Veer sensually kissing her neck . Now , Priya is feeling the most pleasure.

Ayyan grabbed her whole tit in his hand and took it in his mouth . Sucking like a baby .

Aryaan's hand slowly went to her chut which was now glistening with a white cream . He showed the white cream to veer .

" I know baby , you are wet as we are, " Veer said .

" Nahii , Veer . We did it in the morning "

" I am a hard baby . Just one more time . I will do it very gentle "

She cutely nodded her head in negative. Veer touched her chin begging her .

" Please please baby , just once only this time please baby " veer said in a butter melting cuteness. Priya melted in cute behaviour of veer . Finally she nodded positively.

Veer turned on his lap , her legs on his torso sides . Veer touched her sensitive boobs . There are red bites on it because Aryan is biting them .

" Idiot" veer said Aryan face . Aryan looked downwards .

" We will do it slowly, okay baby "

Veer cock stood straight, he slid his hand on her waist and gently lifted her .

" Ahhhh veer "

" Ahhh baby " Ayaan touched veer cock , he made her enter it inside her pussy. Now , her pussy is filled with his lund .

" Ahhhh kaise laga " Veer asked her .

" Acha laga "

" Baby , we are also hard . Stroke our cocks with your cute hands " Aryan said ..

" How " she asked him

" Just like this baby "

He made her touch his cock and stroke it gently.

Her veer is slowly moving inside her . It's not a fast , but a harsh fucking. It's a slow phase and sensual pleasures.

They don't know that Viraj Thakur is watching from the front door . Veer observed his brother looking at them . So , he increased his face

" Ahhhh ahhh veer "

" Bear it " he started increasing his fucking inside. Priya closed her fastly stroking the two cocks . .

" Ahhhhh veer acha laga aur zor se karo na " Priya is in her pleasure as she is near her orgasam.

Veer smirked at Viraj . Aryan and ayyan are in their la la land for the handjob .

Viraj kicked the front door , enter inside the room .

" Veer , I am going to cum , huhh. Do it fastly "

Veer slides his hand out , and she fell on the bed .

Her eyes met the red eyes which were filled with anger . Ayaan and Aryan are shocked to see their big brother.

Veer lean hover her and fucked her roughly. Priya forgot everything in her own pleasure.

" Ahhhhhh" She started moaning in front of Viraj.

" Ahhhhhh Veer " finally she cummed, closing her eyes . Veer pulled out his cock from her pussy .

" Bhaiya , what will happen now? " ayan whispered in Aryan ear.

They both are standing near bed . Viraj gave a serious look to both of them . They are shivering seeing his brother like this .

" Bhaiyya , it's not like we are forcing her . It happened accidentally. You know, we are all enjoying ourselves. We want her bhaiyya "

" Yes bhaiyaa , we like her "

" Shut up all of you " Viraj roared .

Viraj covered her in a blanket and lifted Priya in his arms. Ayaan , Aryan , veer follow them .

He took her to the backside of haveli . A secret cave is there . It's the ancient secret place for fucking thier partners. It's full of red colour , many positions are encrypted on the walls of the cave [like red room it's red cave]

" Why did you bring her here , bhaiyya? " veer asked Viraj .

" All of you , go outside "

" Lekin bhai... "

" Go outside, " Viraj shouted .

They went outside without saying a word .
The cave door closed automatically. He placed her on the floor

" Priya , I thought you are very innocent girl but you are fucking my brothers in my backside . Huhh, you don't know how much I like them . I don't trust anyone who will break my brother's heart . "

" They like you ! So of course I can't do anything. I fell for you the first time I saw you . The doors never opened until we did all the sex positions shown on the walls . Tonight, I am going to show the real meaning of sex . Are you okay with it "

" Mujhe bhi aap pasand hai , Viraj ji . "
They both confessed their feelings. Priya liked Viraj from the start. She was raised listening to the potential power of Thakur's in the village. How can she refuse when they are loving her ?

He removed the blanket, seeing her body full of many red bites , it angered him .

" Bastards , They completely ruined your innocence. But don't worry I will ruin you completely. Even though you gave him your virginity, I tear your asshole . All positions will done with your asshole "

" What is that ! , Viraj ji "

He pulled her in his arms , pressed his lips to her . Kissing in a dirty way . He pinched her boobs , opening her mouth. His tongue is long and eating her mouth. She tapped him for breathlessness.

" Tonight, you need more breath jaan . "

" He lifted her in one hand, softly touching her ass cheeks .

" Kitna soft hai yeh "

He placed her in front of a doggy position.

" This is our first position. I am not a gentle person who likes soft fuck . I will rip out of your pussy . Are you ready? " Priya nodded .

Viraj opened his large , hard and veiny dick . It is already very hard seeing her naked body .

Viraj pushed her on the wall , her hand printed on the wall . Viraj harshly slammed his dick , sinking his balls deep in her tight hole .

" Ahhhhhhhhhhhh"

She cries out, the sound echoing around the cave room and it makes pride swell in his chest .

Viraj pov :

" Your hole is heaven , huhh" I patted while I drove in hard towards her . Her eyes rolled with pleasure.

I spanked her ass cheeks while pulling her hair , my dick is exploring her inner soul.
Pain with pleasure

" Kitna maza araha hai "

" Ahhhhhh"

" You are a horse jaan , sexy horse "

I pulled her more while making cheeks red

" It's time to tear this ass hole "

I removed my dick from pussy and slammed it in her asshole. It's very very tight, not even allowing half of me .

" This gand , kitna acha nahi hai . It's not allowing me , but I will make sure it will be filled with my dick tonight"

" Nahii nahiii , it's paining noo"

" Shut up " Viraj covered her mouth with his hand .

He grabbed her waist and applied his brother's cum on his lund and inside her ass hole . His 3 fingers are rubbing her hole. With full force he rammed his lund inside her .

Tears are flowing from her eyes . Before Priya fell down on the ground , Viraj grabbed her by the waist .

" Hamari jaan , I already told you , if I do , I will do it hard only. I love rough fucking. Feel me inside you , enjoy this jaan . Don't cry "

I made her lay down on the ground, slowly after a few minutes. Sorry , for doing like this baby . But I can't stop myself.

" Can I start ? " I asked her .

" Haa "

I placed my legs on either side and started tearing her hole . Her voice is echoing in the room . I lean over her, lips trailing over her throat before I sink my teeth into her soft skin and suck hard.

I grabbed her waist tightly and took the belt from the table .

" Ahhhhh "

" This is for fucking behind my back "

" Ahhh "

" This is losing your virginity to my brother "

" Ahhh "

He is spanking her ass with a belt , they are red and swollen . Poor girl ,bear the pain .

" Ahhhhh "

He made her stand and lifted her arms to the stone . He made a lie on the stone .

Started fucking her on the stone . Her boobs are bouncing with the hard strokes .

" Sach mai you are heaven , jaan "

" I understand, why my brothers are fell for you "

" Ahhh "

He pulled out and pushed it again in her hole . He started increasing his phase as it neared .

" I am going to fill your hole , jaan . "

" Ahhh ahhh " He grunted, filling her . My own eyes roll back as I empty myself inside her, pumping out every drop of cum I can give her as ecstasy and relief flood through my limbs.

As I pulled out , my cum was dripping from her pussy drenching the stone .

She fell on the stone and I gave her a rest for a few minutes.

I tied her to the wall, she was standing on feeling weak .

I rubbed her pussy . I want to enjoy her pussy now .

I slapped her boobs and her nipples are hard picking . I grabbed both of them , rubbing them together.

I sucked her boobs for the first time . They tasted Amrit . I chewed her red boobs . Slapping them harshly

I lifted her hips and slammed in her deep fucking pussy . Her hands are tied and being fucked by me .

" Ahhhhhh just like that "

" Ahhhhh thakur ji dard hai . Just few hours jaan"

" Ahhhh ahhh" sweat formed on their bodies drenching them

After one hour, I removed her tied hands ,
she fell on me . I took her to the floor.

Started fucking her in many positions

" It's very deep Viraj jii"

" That's why I am doing this baby "

" Fucking crazy hole , huhhhh kitne tight
hole "

Like this one , two , three hours ... He
fucking her in all positions.

Priya is closed, not having the energy to
open .

After this , the door opened. As they did
all positions. Her moans are sound signals
to the red cave . Aryan , ayaan , veer
shocked seeing them .

They rushed inside .

" Bhaiyya yeh kya hai "

"After one week our cum oath will be
taken. Make everything ready for it . "

He took her in his arms to his door . All of
them opened their mouths..

Chapter 6

6. Cum shot [Grand Thakur's ritual]

Priya :

" Arey , veer please Uto naa "

" Chup Priya , don't move . The mehandi will spoil " Ayaan said .

" Arey , open your mouth widely. Why are you eating a small morsel , huh ? I am the one feeding you , eat all this food "

Veer is feeding my favourite dal curry with aloo fry . Ayaan and Aryan applied mehandi to my hands . Now , they are applying it on my legs .

Hoo, kitna ho wo Aryan and ayaan with their full concentration on my design. They are discussing what design they should put . I laughed at their tactics .

Here , veer is taunting me for not eating. I am human, not an animal . How can I eat this much food? They are treating me as a princess . Only outside, not in the bed .

They gave the whole keys of this mahal and made me the queen to this Thakur's parivar in front of everyone.

Earlier, people looked at me with pitiful eyes but now everything has changed. They treated me with utmost love and respect in front of everyone but dirty on the bed .

Now they are making a bride for our ritual . The word itself is burning my cheeks .

Viraj carried me to the bedroom along with ayaan , Aryan , veer and karan (the fifth brother of Viraj) .

" This is going to be a very long night , jaan " He whispered in my ear .

He gently placed me on the bed . Five brothers surrounded me . They removed their sherwani standing half naked in front of me .

" Today , we will fuck you differently jaan " I looked at them confusingly .

Veer brings out a black cloth , blindfolded me with it . The darkness scared me .

" Don't be scared , baby . You have Thakur's brothers with you, "Karan said .

Someone grabbed my blouse and tore it . Touching and squeezing my boobs , another hand landed on my lower body .

One of them is removing my lehanga. I can feel cold air hitting my legs . My legs are shivering .

" Today we are going to have extra fun " They winked at each other .

Now , I am practically naked in front of five brothers in just a red bra and panties . My wrists are tied to my legs where we were anklets.

Veer wided my legs , my phool wetted with arousal . I can feel the hot breath there .

"I'm not sure I've ever eaten anything quite this sweet at this before," he chuckles as he wraps his hands behind the back of my thighs and pulls me closer to his face.

Then he eats my pussy like it's his last meal, savoring every single part of me. He licked my clit , sucking it .

While on the other side Aryan and Ayaan are drinking milk from my tits . My boobs are producing the milk after the next day .

" Ahhhh Thakur jii" I moaned .

" Look at her , how she is taking pleasure from three men . One is eating her pussy and the other is drinking from your boobs . Instead of shyness, But you are moaning in deep pleasure "Viraj said this

Viraj ji walked up from behind, put his hand on Veer's shoulder , whispered something in his ear. He leans forward and plants a single kiss on my inner thigh, but then he steps back.

" Ayaan , you are the youngest one ... Let's start with you, " Viraj ji instructed ayaan .

Ayaan ji removed my blind hold . But I can't move as my hands are tied to my legs . He stretched my legs onto the bed . He smells my pussy , groaned as it is a drug .

" You got really wet by his fingers , let's load this chut with my lund sperms. Scream as much you want but I am not going to stop" He kissed my forehead leaning his cock to my chut .

I grabbed my legs tightly to reduce my pain as he is pushing it inside me.

" You are the goddess of lust " ayaan leans over me, sucking one of my beautiful tits into his mouth while he squeezes the other one in a bruising grip.

He slammed into me , sinking his balls deep in my tight, hot cunt . Our moans are echoing in the hall .

Thrust thrust

" Ahhh"

His cock is touching the womb of my stomach. Exploring the whole vagina .

" See her boobs , how they are bouncing"

Karan and Aryan are stroking their dicks looking at us . Veer is sucking my nipples, his each sucking, ayaan thrusting is sending me to heaven. I am in the trance of love making.

They are looking at me with lustful eyes . Veer bit my neck , I yelled in pleasure.

The slight burning only added to the pleasure as he drove at a spot inside of me that made me feel like my body was numb and alive at the same time.

Ayaan is pounding in me over and over again and again as hard as he can .

" Your walls are squeezing my cock , I am going to shoot my cum "

" Ahhhhh"

He increased his thrusting into my chut .

" Thrust thrust thrust"

" Ahhhhh" he groaned, filling me . As he pulled out his cock. His cum is dripping from the mattress.

In a second, karan Thakur filled my chut .
He removed the cloth that tied my legs
with hands. Now , I am free. He took my
lips in his , exploring my tongue with his .
Our saliva is melting in each other.

He stretched my legs , his thighs violently
touching my inner thighs. I hugged him .

" If I knew, your pussy feels like this . I
would fuck you before " He sucked my
neck .

He grabbed my legs placed on his
shoulders. He is looking very sexy and
handsome.

" Priya , you love being fucked by us ,
don't you ?"
'Yes,' I panted.

"ofcourse you have to , because we do
love to fuck you.'

I moaned loud as I was pounding. This
position is even more deep for me.

My voice is shaking under the thrusts . My
mouth is dry . I want water .

He turned me to the side . I gripped the
blanket.

" Ahhhh ahhh Thakur" his hand landed
on my ass .

" How soft you are ! " He kissed the spot
where he spanked .

Soon , he also filled me in . He fell on my
boobs , I closed my eyes soothing his
hair.. After a few minutes, I opened my
eyes but I didn't see Aryan and veer .

" I want water , I am thirsty" I asked Viraj ji
.

He handed me a glass but the water is not
looking like normal .

" Yeh kya hai , Viraj ji "

" Veer aur Aryan ka viry (sperm) . "

I looked at them confusingly.

" Drink it , jaan . You have to get used to drinking this daily . This is the Pani which we load in your pussy , everyday . It's good for your health. "

Viraj ji handed me the glass . It looks like a thick , white color curd . I tasted it with my tongue . It tasted yank

" Gulp it fastly , Aryan is going to die for having your pussy "

I closed my nose , gulped it fastly . It tasted salty , sour with Little bitterness [Credits goes to Google]

Veer came in while stroking his huge hard dick .

He flipped me on the bed . I am on my fours . His fingers rubbed my clit , I moaned . His hand moved to my ass hole .

" You need to stretch a little bit " he dripped his fingers in my pussy, wetting them . He pushed them in my asshole.

" Ahhhhhahhhh" I tightly held the headboard.

" Now , I am going to fill this ass . My brother said it feels amazing as your pussy. Tonight it's mine . "

Before I protested he slammed into me .

I screamed

" It's not even going, fuck the tightness. "
He groaned, pushing it inside .

He is railing into me over and again.
driving at my sweet spot until my legs
were trembling.

" This is how we even know every part of
you . Look at you , your dirty , shameless
body is taking my dick very well"

" I tore your virginity, now tearing you ass .
Ahhhhh I am blessful ahhh "

Thrusting thrusting

" I can't get enough of your tight holes . I
am going to use it whenever , wherever I
want because it belongs to us "

He thrusted more harshly than last time .
His balls are touching my pussy . He is
increasing his ramming .

" Ahhhhhh"

" Ahhhhh" he lifted me , kissing my lips ,
squeezing my tits .

He grabbed the glass from the table ,
opened my mouth, poured it in mouth and
closed it with his hand .

I gulped his sperms due to the force.

" This is my sperm, baby . Daily I will
make sure you drink it or not . It gives you
more energy" he said, sucking my boobs .

" Your walls are clenching me more "

" Ahhhh ahhhh" I moaned as I was near .

" Wait , we will cum together" he said ,
increasing his pounding.

" Ahhhhh " he groaned emptying inside
me .

After a few minutes, he removed his dick
from my hole . I feel the emptiness .

" Clean me " he said showing his cock.

" But how? " I asked him .

" With this dirty mouth, sweetheart"

He grabbed my jaw . I opened my mouth,
taking his cock inside my mouth. My lips
surrounded his cock . I coughed.

" Lick , suck it " I sucked it as if it was
honey .

He moved my face . I fell on the bed to
rest . It's really tiring all my energy.

" It's the last of us , baby . Me and Aryan
have to fill you "

" I am tired Viraj ji "

" Just few hours jaan "

" See the situation of your lund . They will
die if they are not inside you in few
seconds "

They stood straight.

" Aryan will take the ass and I will take
your pussy . Just , few hours. Our cum
oath will be filled "

I nodded

Both of them winked at each other

" Of course you will agree. You are the best seductress. " He kissed my forehead

Viraj laid on the bed , he took me in his arms . He filled my pussy with his cock .

Even though I filled all my brothers . Viraj ji's lund is the biggest of all of them . It's very large and strong.

" Ahhhhhh" we moaned, feeling the pleasure.

" She is ready, insert your cock in her ass "

" Make it fast Aryan , or else I will load inside her in any moment "

Aryan came on top and filled my ass . I feel pain and pleasure for the first time, my two holes are filled .

" Thakur ji , it's paining ahhhh"

" Then let's make it worse, baby . Take it in your mouth" veer Thakur filled my mouth with his lund.

Ayaan and karan cocks are rubbing with my hands .

" She is so filled today . "

" Haa , look at her . All holes are filled"

" Ahhhhh" her moans are muffled inside Veer lund.

Viraj and Aryan started fucking her .

" Ahhhhhh "

" I want to fuck her again and again"

" Yeah , her pussy is an addiction to us . "

" She is hot as hell "

" This little girl is driving us crazy "

" Ahhhh , what a fucking cunt she has ! "

" Ahhhh , baby is always ready to be fucked by us "

" Ahhhh , we ruined her "

Viraj and Aryan cummed inside her.

Her every hole is filled by their lund . Her pussy and ass are leaking the cum . Her mouth is stuffed with Veer cum .

Her hands are stained with karan and ayaan cum . Her body is drenched with the phool of veery(sperm) of thakur brothers.

Chapter 7

7. Epilogue □□

This is the last chapter of Sold to thakur's .
Finally I completed one story . It's an achievement for me .

After 5 years :

" Why Viraj ji , why I am not getting pregnant"

Priya is crying on his chest. They have been trying for a kid for almost one year . But I didn't get it because of PCOD.

"You're just 21, Priya," Viraj began softly, trying to console her, but she shook her head violently, cutting him off.

"So what? We've been doing this for five years!" she cried, her voice rising with each word.

"Every minute, any of you brothers... cum inside me. And yet, I'm still infertile." She pulled away from him, her body shaking as sobs wracked her frame. "Leave me, Thakur ji. Marry another girl, someone who can give you an heir. I can't—"

"Shut up. Just shut up!" Veer's voice thundered across the room as he stormed closer. His hands gripped her shoulders firmly, his expression a mix of anger and hurt.

"What do you think of us, Priya? That we're with you just for a child? That we're only fucking you because of your body?"

His voice cracked, and his grip loosened slightly.

"We're making love to you because we love you. Do you hear me? We love you. We married you to stay with you, to spend every second of our lives with you—not to leave you for some fucking heir."

Before Priya could respond, Viraj fisted her hair firmly, tilting her face up to meet his burning gaze. His voice was low, intense, and unwavering. "It's you, Priya. Or no one. Do you understand?"

Tears streamed down her cheeks, her lips trembling as she looked between the two men.

"Ranvijay, what should we do? Priya isn't happy. She's always lost in her thoughts, drowning in this dilemma. She's not the strong girl she used to be,"

Viraj said, his voice heavy with concern, his eyes fixed on the glass of whiskey in his hand

Ranvijay thakur is the best friend of Viraj . He is the sarpanch of near by village. As power as Viraj thakur .

"Viraj," Ranvijay began, his tone measured yet piercing, "do you really love her?"

"What kind of question is that? Of course, I love her! She's my wife, my life. I never felt the emotions before . Her every Breath , her soul , body . She became the cause of my life . I feel the life after seeing her face . My dick throbbbs each time when she is near . I lost control over my lund"

" Idiot , stop talking about your dick . I am not asking about your dick"

In the meantime , Priya came with snacks

" Vijay, she is Priya ! . Jaan , he is ranvijay, my friend"

" Actually, Viraj is talking about how he feels around you . "

She blushed while they winked at each other bursted into laughed.

"Viraj, how are the brothers?" Ranvijay asked casually, lighting a cigarette as he leaned against the wooden railing.

"They're good," Viraj replied, a faint smile tugging at his lips. "Priya is taking care of them."

Ranvijay chuckled. "Don't think too much, Viraj. Life has its way of sorting itself out. Enjoy it while it lasts. You're just 35."

"Don't remind me of my age," Viraj muttered.

"That's the truth, bro," "You're getting old now. Maybe that's why she's not getting pregnant!"

Before he could finish his laugh, Viraj's fist landed firmly in his stomach.

"You're such a pain," Ranvijay wheezed, clutching his stomach but still smirking.

Viraj smirked back, cracking his knuckles. "Let's see, Ranvijay. Mark my words—I'll make her pregnant this month. That's my challenge."

Ranvijay straightened. "Confident as always. Just don't scare the poor girl with that intensity of yours."

"She'll be fine," Viraj replied, his voice firm but carrying a hint of affection. "She's stronger than you think."

After one month :

They fucking her in every second. One by one, her pussy is always filled either with cocks or vegetables . They never left her chut in emptiness.

She is shared by Thakur's brothers. They loved her as she was the only girl .

"What happened, jaan? Why are you vomiting?" Karan asked, his voice full of worry.

"I don't know, Karan ji. I'm feeling dizzy..." Priya said weakly before fainting in his arms.

Hearing about it, everyone left their work and rushed to her side.

The doctor arrived and checked her. After a few moments, she smiled and said, "Congratulations, Thakur saheb. Thakurain pregnant hai."

Priya's eyes filled with tears of happiness. She remembered the times she was called baanjh—a barren woman, a woman without a womb.

Viraj hugged her tightly, his eyes shining with joy. "Hum baap ban gaye," he said, looking into her eyes.

"Huh?" Priya murmured, overwhelmed.

"Tum hamari jaan ho, Priya," Viraj said softly and kissed her forehead.

Veer, standing nearby, handed a large sum of money to the doctor, his face glowing with pride. All the brothers hugged Priya in happiness.

From that day, they cared for her completely. They fulfilled all her cravings, massaged her body with warm oil, and didn't let her do any work. Since she was carrying triplets, they treated her like a queen.

Priya often joked, "I've forgotten how to eat, bathe, or even walk!" They didn't mind, becoming her shadow, doing everything for her.

Months later, the house filled with the cries of three babies. The midwife came out smiling and said, "Thakur saheb, aap teen bachon ke baap ban gaye!"

They rushed into the room, each holding a baby in their arms, their faces glowing with pride.

"How is she?" Viraj asked the midwife.

"The Thakurain fainted from the pain. She'll wake up in a few hours. Don't worry," the midwife assured them.

Relieved, they kissed Priya's forehead one by one, thanking her silently.

Viraj looked at his brothers and said firmly,

"Now, listen to me. Aryan, you'll take care of the first boy. Ayaan, the second is yours. Karan, the third is yours. Take care of them. They should only come near her when they're hungry. No one should disturb my jaan. Understand?"

The brothers nodded together, ready to follow his instructions. Priya was exhausted from the delivery, and Viraj and Veer took turns caring for her, staying by her side day and night. From feeding to the washroom they became her shadow.

After two months

They named the boys as

Ranveer thakur (Viraj selected this name)

Aayansh thakur

Reyansh thakur

Priya selected the other boys' names .

Viraj took Priya in his arms to the cave room after feeding the boys . They are sleeping now . Taking it as an opportunity they took her to the red cave .

He removed her saree . She laid on the bed . Priya is also sexually frustrated not having any dick inside her.

" Looking like we are going to have full meals tonight"

Viraj said while removing his shirt .

" Haa bhai , I think we take her in a different way ... It's been 3 months, I am dying with this hard stick . "

" Yes bro , My dick always stood straight wherever I saw her breastfeeding our boys . Before their arrival her milk is ours . Tonight we should reclaim our right "

" It's time to fill that dirty pussy "

Viraj takes her in a Deep liplock while Veer and Karan are sucking her milk .

Blood □kink (Bonus)

Karan , Arya and ayaan are went to another village some work . Now , Priya , Veeransh and Viraj are only in the mahal .

Priya is resting in the room after hardcore intercourse. Viraj and Veeransh are doing some paper work .

Viraj pov :

" Thakur ji " Her melodious voice made us turn towards her . Her face is full of worry .

" Kya hua , jaan , " Veer asked .

" Meri pet main bohot dard hai" she whispered, clenching her stomach. Her eyes are full of tears

We left our work , touched her stomach.

" Why " I asked

" I got periods," she said .

" Teek hai, jaan . Don't cry " veer confronted her .

" But it's more painful, Veer ji . I can't ! " She said while crying .

" Veer , take her to the room . I will come back "

Veer takes her to the room. I know what is the best way . I brought hot water with a cloth to the room .

" Veer , remove her clothes " Priya looked at me .

" No ! No ! Abhi nahi , I am dirty " she pleaded. I raised an eyebrow,

" Do . it . now " I commanded.

Veer quickly removed her pallu with the saree . She was in her panties only . Her boobies are hanging freely.

I dipped the cloth in the hot water , rubbed her body . Whenever my body touched her body , she started whimpering.

" How are you feeling, biwi? " I asked .

" Acha hai , lekin it's still painful," she said, rubbing her stomach.

" You know what else is good for this pain other than hot water "

Veer dips his head, running his nose over her hair.

" Orgasms" She clenched her thighs.

I slowly traced my hand on her chut .

" Chii ! Thakur ji , it's all dirty now . It has my blood . No ! Please don't ..don't " she started begging me . Who can stop me ?

Veer gripped her shoulder onto the bed .

" Please veer ! It's very dirty . Wo gandha hai "

" Kuch ni hota hai , jaan . Hum hai na "

I removed her underwear down her legs with my hands . She wore a cotton pad with it .

Blood is all sticky, and flows on the bed .

Priya's eyes are closed. I take off my shirt and pants . I looked at her body , her every curve , her every mole . Her chuche are stiff because of the cold .

Her boobs , I love them . Veer took his hands on two chuche , pressed them harshly . Rubbing them , squeezing them . Priya is doing nothing, moaning under us .

" Ahh amm ahh issss "

I slide my two fingers inside her blood coming from her vagina .

" Ah maaaa"

" Biwi , kitna tight hai yeh chut . Kitna bhi chodo, Mera chaar Bhai har baar tumko chodte hai. Kitna pyaari chut hai teri "

Veer is sucking her boobies .

" Bhai , iski chuche tho kitna swadist hai ahh yummyy"

I increased my phase , add one more finger to her .

Slide in and out ...

" Ahhh , dekho biwi . Kaise geeli ho rahi tumari khoon se . Tumari chut ki ras aur khun ! Dekho "

Veer gripped her jaw , squeezing it hard . She opened her eyes .

My fingers are drenched in her blood and cum .

While looking at me ! I added my four fingers inside at once .

" Ahhhhhhhhhh" She moaned loudly .

My fingers are ripping her apart .

Her thighs are shaken as she is near orgasm . I increased my phase . Soon , she came .

My wrist is covered with her period blood .

Slipping my fingers out of her wet center, I push up onto my knees and settle between her thighs.

Veer came on top of her , squeezing his lund in between her chuche . He gripped her head with his hands . Her mouth is exactly opening for his lund .

" Pakdo tumari chucho ko , raghadh kar meri lund ko " he commanded her . Her hands went towards her boobies , clenched them between his lund .

I smirked, I stared at her pussy . Huhhh, our bed became red holi with her blood .

"You're gonna take my cock now, biwi . Every fucking inch of me on the first go"

I drive inside her, bottoming out and filling her dripping chut

Veer having his way with her boobies . Her mouth is muffled with his lund when it reaches up .

Kitni achi biwi mil gaya humko !

I pull out slowly, making her whine like a needy girl . I ram back inside, so hard that the bed rattled.

"rajj-oh!" she mewls.

" Bhai , dheere karna. Meri lund utar gaya unki chuche se "

Veer taunted me .

" Kya karu veer ! Iska chut ko dheere chodna asambhav hai . "

I said while pounding on her . I gripped her waist , The blood on my hands , made her white skin covered in red .

" Ahhh ahh "

Veer pinched her nipples in his two fingers . Now , her mouth is sealed with his cock .

" Dheko biwi , kitna pyaari jism hai teri . Meri bhai se chod rahi hu ! Aur meri lund kha rahi hu ! " Veer groaned .

" Ahh , Priya I am coming " he cummed on her face .

Her face is full of his cum .

I flipped her on the back . She grinned at the pillow , her face cum stuck on the bed.

My hands are rubbing her back and we are both drenched in her blood .

" Tumari khun bhi swadist hai "

" Kitna achi bhia hai yeh ! Periods Mai uski pati se chod rahi hai "

" Ahhhh " I fell on her, giving deep strokes . I rubbed my hands on her face .

Our lips are sucking each other and holes are connected. My lund is pounding in her chut .

" Huhh, biwi ! Ahhhh" I finally cummed her .

I don't know! How many times she cummed while we are fucking her .

We three slept on the bed , forgetting everything. She is laying on between us . Our sheets are drenched in blood and our cum .

In the evening, we took her to the bathroom to clean her properly.

" Bhai ! Yeh kya gandha hai yeh " Aryan asked entering the bathroom. He saw the mess we created on the bed .

" Your kinks are dangerous Bhai " he winked at me . I smirked looking at our divine.

" Kitna naughty ban gaya hai hamari , biwi . " Our baby hid in my chest .

" Stop teasing her Arya . Already she became a red doll . "

" Arya , if you tease me , I will not give you chuche to you " she said while pouting. Aryan gave a stern face to her . She deeply hugged me .

Our cute baby . I kissed her forehead

Night :

Karan entered the room , Priya was sleeping beside Viraj .

Her naked body aroused his desires . His manhood stood straight.

" Priya , Priya ... " She slowly opened her eyes .

She looked at his lund , her face became red in shyness.

" Karan ji , ab nahi ! Mei bahot thak gayi . Veer aur Viraj ji ne bahut baar choda humko . please.... □ " She whispered slowly.

Karan nodded with a smile . But his dark desires made him more aroused.

" Teek hai meri biwi ! But cooperate with me . You don't have to do anything. Just lay down "

He took her to the edge .

" I will cum on your face but just act as you are rejecting me "

Priya looked at him confused.

" It's just my fantasy, biwi."

" Please " He looked at her pouting like a baby .

Priya nodded .

" If I said anything incorrectly, please don't take it to heart. It's just a role play, " he said while kissing her forehead.

"I would love to see you sucking my cock tonight. but you are tired by my brothers "

He stroked his lund in front of her face .

" I am going to punish you for not taking my cock inside the sinful pussy of yours "

" Please Karan ji , I don't want this ! I am very sore already. Don't do this " she pleaded [this is all role play which is going with her consent]

" Kyom biwi , mei tumari pati dev hu ! Meri bhai ki lund le liya tumari yeh Gandhi chut lekin. Meri lund ke time mei ,

" Mei thak gayi , thakur ji . Abhi nahi . Bola na . I know kitna needy hai tu . Har din tumko lund chahiye na "

" Aise kuch nahi , Karan ji . Sach mei thak gayi hu main " she requested him .

" Shup Karo , biwi . Don't spoil my mood . Take it ! It's your fucking duty "

He holds his cock in his hand gripping it tightly, the veins bulging beneath his grip.

" Ahh hhh uhh "

He slaps the head of his dick on her cheek.

" Thakur ji , mujhko aap sab ek jaise hai ! "

" Acha ! Tho Lelo meri punishment. Kush karo tumari pati ko ! "

I started jerking off on her face .

" Let me go," she hissed, pushing both of his hands .

" I'm going to show you exactly what happens when you don't respect your husband. You're going to swallow my cum like the fucking bad girl you are, and I don't give a fuck if you don't like it."

" I know you have already become a sucker for cocks "

His dick delivered a sharp slap to her cheek.

" Open your fucking mouth, biwi " he commanded her .

Priya didn't open her mouth.

" Isshhh ahh" he fists her hair .

He slaps his dick across her face again, this time harder ! He squeezed her cheeks forcing her to open them .

" Now Say thank you master for filling my mouth with your precious cum "

No word came from her mouth. Karan choked her throat hard. In fear ,

" Thank you master for filling my mouth with your precious cum " She choked out

" Good girl ! he panted her

A load of his cum traveled from his dick
right into her mouth.

" Take it all ! It should reach your chut " he
grunted out .

Her mouth is full of cum gulping it down .

When the last bit of cum drops from his tip
and onto her lips, he grabs

Priya's face again, pinching her cheeks
together .

" Swallow it " he demands

Karan seeds slide down her throat.
